When you create account, you have two options in checkbox

- 1) Select customer if you need to book a boat for rental
- 2) Select vendor if you need to list your boat for a rental

If you Select Customer

SIMPLE STEPS TO BOOK A BOAT WITH EASYBOATBOOKING

1. Search for Boats

Search for boat rentals in your preferred location.

2. Choose Your Perfect Boat

Review boat details, current photos, ratings and booking requirements.

3. Book Your Boat

Once you find your perfect boat, choose an available time and date that works for you and request to book the boat. After submitting the request, you'll receive the contact information for the boat owner, so you can directly communicate with them.

4. Set Sail

You'll receive a notification when your booking request is confirmed. Arrive at the rental location and set sail on your boat

5. Complete Your Profile

You'll receive a renter profile after booking your first boat on [EasyBoatBooking.fr](https://www.easyboatbooking.fr). Include information on your profile to help boat owners get to know you before you rent their boat.

Step 2: If you select vendor

LISTING A BOAT IS EASY

At EasyBoatBooking we believe both finding and listing a boat should be easy. Boat owners can easily list their boats and control all terms of the rental with our owner management system. Boat renters can easily search by location for the perfect boats in great locations and request boat rentals online in just a few clicks. List your boat today for free!
